Back to Back Champs

Just one day after beating Eastern Maine Community College for a spot in the Yankee Small College Conference Championship, the UNH Baseball club defeated New Hampshire Technical Institute 5-4 for their second consecutive YSCC Championship.

On the hill for the boys in the blue was sophomore Tim Doucette (Exeter, NH). Deuce put on a fiery performance pitching all seven innings and striking out seven in the process. He let up five hits, walked none, and had two earned runs in the complete game effort. Ryan Feeney (Pinkerton, NH) went 3-3 with a double and a run scored. Colin Sullivan (Hopkinton, MA) went 1-3 scoring two runs, also aiding in the offense was senior Jeff Agnew (Milford, NH) who had two RBI on a double. The Wildcats came out on top 5-2 advancing to the championship.

On Saturday UNH took on NHTI with freshman Reid Garrity (Westborough, MA) getting the start. NHTI roughed up Garrity over three innings where they quickly scored four runs on five hits and two walks. In Garrity's relief freshman Eric Murray (Cumberland, NH) came in, in the fourth inning. He pitch four strong innings with two strikeouts, two walks, and one run on one hit. Freshman Zak Mitsopolous (Manchester, NH) closed out the game.

Down 4-3 entering the bottom 7th the Wildcats mounted a comeback and tied it up at 4-4 but need one more inning to seal the deal. In the top of the eight Murray let up a homerun to the first NHTI batter, making the score 5-4. After closer Mitsopolous shut down the NHTI offense, the boys had work to do with their bats. In the bottom of the 8th freshman Tyler Proulx (North Providence, RI) brought in the tying run on a single and then with the bases loaded, junior Mike Riccardi (Waitsfield, VT) walked, bringing in the winning run.

Ice Hockey Starts Off Hot

Friday night the Keene State Owls travelled to Durham in hopes for a win but were denied. UNH came out flying and jumped out to an early 3-0 lead after the first period. That was all the Wildcats would need as they would end up netting three more goals to reach a final score of 6-1. UNH carried the play for the majority of the game and the times that they did not, goaltender Neil Scancerella was there to shut the door. Goal scorers from this game included: Brian Albertelli (2), Sean Leahy, Blaine Cardali, Mike Young, and Doug Wentworth.

On Sunday the Wildcats were matched up against a New York University club looking for revenge from last year's ACHA regional tournament. This game was a much anticipated first league game for UNH. Unfortunately, the 'Cats got off to a sluggish start

and found themselves trailing 3-0. Had it not been for the strong play of Scancerella, this deficit could have been larger. As the game continued, UNH clawed their way back in and suddenly found the ice tilting in their favor. With three minutes remaining in the third and the scored all tied up, Cody Nizolek buried home his 2nd goal of the game on an UNH power play to take the lead. The Wildcats would hold the lead for the remaining time and add an empty net goal as well. Other goal scorers for the game included: Albertelli, Cardali and Greg Silverman. This was the team's first time facing adversity in the early season and with hard work and great team play, they would prevail.

Smooth Sailing for UNH Rowing

The month of October was a big one for UNH Women's Rowing. The Quinsigamond Snake Regatta has held on October 13th where UNH had all four of their boats compete for the top three sports in a race consisted of 48 boats. All did amazing. The week following, UNH competed in the 2012 Head of the Charles Regatta. The race was held on the Charles River in Cambridge, MA where this two-day race welcomed over 9,000 athletes, 300,000 spectators and world's best crew teams. UNH's Varsity Women came in considered by many, one of the top teams to beat, and showed that by passing U.S Coast Guard Academy in the last 200 meters this would not be an easy thing to do. Now UNH heads back to Lake Quinsigamond for the Novice Challenge, where the novice will represent the team and attempt to bring home the gold. But as October ends this only means one thing…UNH Rowing's most famous fundraiser is back, RENT-A-ROWER Weekend! This year falling on the 3rd

The UNH Shooting Sports team travelled to Addieville East Farm in Mapleville, Rhode Island to compete in their first ever live competition. The Sporting Clay event was sponsored by the Scholastic Clay Target Program, a non-profit organization aimed at educating grade school through college aged students about the safe and enjoyable sport of clay shooting. The UNH squad came out on top by not only having member Conrad Nawrocki set the best individual score in the intercollegiate category, but his squad, which also included Jordan Morelli and Ryan Brown, were able to combine for the top squad score in the category.
