

GUIDELINES FOR MEMBERS/ ELIGIBILITY

MEMBERSHIP and/or ELIGIBILITY for members in SPORT CLUB

1. Clubs are open to full-time, matriculating students and staff without respect to race, creed, sex or national origin, sexual orientation or disabilities. Divisions of competition for UNH Campus Recreation are men's, women's, and co-recreation. When an activity makes a gender designation, students may participate with the gender they identify as. However, some competitive clubs have specific eligibility guidelines set by the respective sport governing body, which have specific standards for collegiate competition.
2. Faculty and staff must have an HRC Membership to participate in a club. Benefits-eligible faculty/staff may purchase a pass at the Welcome Center in the HRC.
3. Members **MUST** complete the ONLINE REGISTRATION FORM & CODE OF CONDUCT before participating in any club activities, including practices and tryouts. Members can also pay try-out fee/ dues on the online registration form by using the link <http://campusrec.unh.edu>. Clubs may pay the fees at the Welcome Center.
4. Individuals affiliated with the Sport Club Program will be held responsible for the compliance of the group with the University regulations as well as the Code of Conducts specific for the club. When it is felt that any club member(s) does not have the proper attitude and cannot represent the University of New Hampshire in an outstanding manner, the Assistant Director of Sport Clubs can withdraw that member's eligibility until such time as certain conditions are corrected.
5. All aquatic-oriented clubs (sailing, rowing) require members to pass a swimming skills test which is administered by a Department of Campus Recreation employee. Members must also view a film reviewing hypothermia training.
6. Membership limitations may be imposed due to lack of facility space and time, funding, league requirements, administrative oversight, etc. **Therefore, certain clubs are permitted to conduct tryouts, although participation is a major goal of the sport club program.**
