

The Department of Campus Recreation and UNH Sport Clubs Presents:

CATCH THE SPIRIT!

In this issue we welcome you to the 2013-2014 school year, recap our Fall events so far, highlight homecoming weekend and get you ready for upcoming events on and off campus.

“UNH Sport Clubs...Catch The Spirit!”

Playing 'catch-up' with Sport Clubs...

Molly's new Groove

For the past two years, the clubs have gotten to know Molly Labrousse as a GA, but after Ben Wakely left UNH Campus Recreation to take over his father's business somebody needed to step up. Molly Labrousse will spend this year as the Interim Coordinator of Camps, Intramural Sports, and Sport Clubs. Welcome back, Molly!

The Real Kiefer Sullivan

With Molly stepping into her new role as a professional staff member, the Sport Club Graduate Assistant position had to be filled. After searching high and low, UNH Campus Recreation hired Kiefer Sullivan for the job. Kiefer spent his undergraduate and graduate career with the University of Wisconsin-Whitewater where he also obtained his BS in Journalism and MS in Corporate Communication and is now working on his MS in Recreation Management. Welcome to New Hampshire, Kiefer!

New Faces on Campus

As is true on any university, with each new year comes new people and the same goes for our event supervising. With the increase in clubs and home events, we hired five new supervisors for the upcoming year to bring our staff to a record ten. We hope to continue seeing you out at our events!

Open Waters for Erika

Erika Cooper has been hired as the Aquatics Director, which was effective in mid-September. Though she is still a part of Campus Rec, we will be seeing a lot less of her at the Hamel Recreation Center. All of her clubs she had been working with now report to Brian, Molly, and Kiefer.

Welcome Badminton!

The fall of 2013 marks UNH Club Badminton's first semester as a recognized sport! Anyone interested feel free to join the club on Friday nights at the Hamel Recreation Center or contact Yue Jia at yiv4@wildcats.unh.edu

Hincey Honored

Nicole Hincey of the Club Softball team was honored at the Yankee Small College Conference Championship as the Most Outstanding Defensive Player of the Conference. Unfortunately, as a team, UNH Softball fell to NHTI in the YSCC championship game 10-3.

Different Strokes

Congratulations to former Crew coach Pete Cathey on a great career with UNH. After joining the Wildcats in 1990, he has decided to retire from his role. Best of luck, Pete, you will be greatly missed in our department!

HOF'er Pete Michel

UNH Club Baseball founder Pete Michel was inducted into the New England Club Baseball Hall of Fame earlier this season. Michel founded the club team in 2000 and coached the Wildcats to three championships in their first five years.

Golf Headed Back to Nationals

The UNH Club Golf team is headed to the National Collegiate Club Golf Association National Championship November 14-17, this year held in Myrtle Beach, SC. They advanced to the Championship after winning the NCCGA Northern New England Regional this fall. Good luck, guys!

Club Hockey makes Select Team

Steve McIsaac, head coach of the UNH Club Hockey Team was selected as the head coach of the American College Hockey Association Select team along with two of his players. Sean Leahy was selected as the top UNH Forward with Zach Bradanick being one of the top senior defensemen in the league.

Club Hockey has started the season out 3-2 and looking to add some more to the win column in the coming weeks. Check out their website (unhclubhockey.com) and see the back side for their upcoming schedule.

Updates and Schedule on Page 2!

Club Updates

Rent-A-Rower

Have chores that need to be done and could use some help? The annual UNH Rent-A-Rower is coming up and available spots are filling up quickly.

Check out the UNH Rowing website for more information about not only their program, but the Rent-A-Rower event as well!
