Prior to this tournament, UNH Golf took first place at this years first regional tournament in early October. The Wildcats won regional's by 25, with senior Ben Whitaker winning individual honors shooting 72-77. It is clear that Golf had a season to be proud of. UNH Woodsmen hosted their annual Fall Meet in Durham, NH on Saturday, November 1st. The tournament was comprised of seven teams, Dartmouth College, Unity College, University of Maine, Colby College, University of Connecticut, and University of Vermont. It was a cold, rainy day yet that didn't stop over 100 spectators from gathering to watch the competition. The event spanned the day from 8AM and awards were given out late afternoon.

Campus Rec Highlights

Outdoor Pool

As of November 3rd, ground has broken on the Outdoor Pool Project. This is one of the first steps towards the creation of a bigger and better Rec Center for UNH Students and Sport Clubs to use! Pool walls are being removed in preparation for the rest of the construction that will begin next spring. It is planned for the pool to reopen in June 2016.

Cornucopia Food Drive

This past week Campus Rec did a sport club wide food drive competition to benefit the Cornucopia Food Pantry in downtown Durham. Out of 31 clubs, we were able to donate over 650 items! It was the Cornucopia Food Pantry's largest donation ever!

The UNH Dance club donated the most amount of items followed by Club Hockey.

Thanks to all the clubs who made this such a success!
