Baseball Continues Dominance with 11-0 Start

The baseball team finished their weekend just as it started: undefeated. The team improved from 7-0 to 11-0 after the four game weekend. They started off the weekend with a 7-3 victory over New Hampshire Technical Institute who they have outscored 23-11 so far this season.

The team has defeated Central Main Community College by ten runs in both meetings this season and the streak continued after their doubleheader on Friday. Finally, the team ended the weekend with the closest victory this season with a 9-8 win over University of New England

Sport Club Roundup

Women's Rugby

The Women's Rugby team had their first match of the season on the road against the University of Maine. It was a defensively dominant game as both teams went scoreless up until the final 18 minutes. Unfortunately, UNH would be unable to stop USM's offense any longer and lost 17-0.

Cycling

The cycling team had a great weekend competing in a mountain bike race on Plattekill Mountain at the Rochester Institute of Technology. Greg Disanto dominated by taking first place in both Cross Country and Cross Country Short Track. While Taylor Smith was able to take fourth place on the Short track as well.

Men's Ultimate

The UNH Men's ultimate team was seeded 16th going into the USA Ultimate East New England Club Open Conference Championships last weekend, but with some great play would come out in 9th place. They had victories over clubs from across new England like Bowdoin and Tufts, and they even scored a point against the number one team in the world, Ironside.
