Greetings members of the great class of 2022!

Welcome to the Pre-Orientation Adventure for Wildcats. Included with this packet are several **forms that need to be returned to us by July 15th**. The rest of the packet contains important information about being a PAWs participant, or as some of our leaders say, “a PAWsie.” Remember, PAWs is August 19th to 24th.

First off, share all of this information with your parent(s)/guardian(s). This letter and the accompanying forms have all the details about arriving for the first day of PAWs, moving into your dorms, etc. Your parents/guardians will definitely want to know this information, so it is important for you to share this with them.

**Included with this letter, you should have received the following:**

1. **Three important forms** that you need to read, sign, and return by July 15th.
   a. *Bio Form*
   b. *Assumption of Risk, Release of Liability, & Personal Responsibility Statement*
   c. *Medical Information Form and Release*

   **Please mail all THREE forms back by July 15th.**

2. **Packing list:** A packing list for PAWs including everything you should bring, and a few things you shouldn’t. Please note that if you requested a sleeping bag or pad when you registered, you don’t need to let us know again. If you didn’t request one, and you need one of these items, please let us know ASAP; we have a limited supply.

3. **Schedule:** A brief outline of our schedule including when we’ll get started on the 19th, when you can move into your residence, and when we’ll be back to campus on the 24th. Your parents/guardians will REALLY want to know about this part. Please tell them.

4. **Directions:** Driving, flying, bus and train directions to UNH

5. **Map:** A link to our campus map. On the first day of PAWs, all participants need to check in at PAWs registration between 10:00 AM and 11:00AM. Check in will occur outside of the Whittemore Center (located at the center of the map). You can drive into the loop at the end of Depot Rd
between the Whitt and the Dairy Bar. There will be limited parking available. You can find the campus map at: http://www.unh.edu/ucm/maps/UNHcampusb_w0708.pdf

If you have any questions, feel free to contact the PAWs Coordinator, Maddie Smith at 603-862-1577 PAWs or madeleine.smith@unh. Otherwise, welcome to UNH, enjoy the rest of your summer, and we’ll see you in August!

Pre-Orientation Adventure for Wildcats ♦ University of New Hampshire
5 Edgewood Road Durham, NH 03824 ♦ 603-862-1577 ♦ campusrec.unh.edu/paws

I have read all of the information supplied by the University of New Hampshire concerning Pre-Orientation Adventure for Wildcats (PAWs), the student pre-orientation program to be conducted in Barrington, NH at the Mendum’s Pond Recreation Area. I understand that my participation in this activity is strictly voluntary and that the University does not require me to participate in PAWs.

This is to certify that I am fully aware and understand that certain physical and emotional risks and dangers may exist during the PAWs program including the possible risk of severe or fatal injury to myself or others. The activities include but are not limited to transportation by bus, van, or car, warm-ups, games, group initiative problems, low-ropes challenge course activities, hiking, backpacking, orienteering, camping, canoeing, swimming, and other rigorous physical activities. I recognize the inherent risk of injury or disability in these activities. I understand that each participant must assume the risk of physical injury that could result. I affirm that my health is good and that I am not under a physician’s care for any undisclosed condition.

I am aware that although the program administrators will take care to ensure reasonable safety precautions, risks exist nonetheless. In consideration for my participation in PAWs I hereby assume all risk of injury and damage to my property during the course of said activities and/or instruction, or incidental thereto, howsoever and whosoever occurring, and however long the said program may continue; and if I present or prosecute against the University of New Hampshire or any of its officers, agents, or employees, any action or damages or compensation for injury or damage suffered by me or done to my property, arising out of or incidental to, my participation in, or presence during said program, whether the same be occasioned by the negligence by the PAWs program or any person or persons whosoever, or otherwise, and do agree further for myself, my heirs, successors and assigns, to hold the University of New Hampshire, its officers, agents, representatives and employees, and all of them free and harmless from and against any and all claims, by whomsoever made or presented, for damages or compensation from any and every such injury or damage suffered by me, including death or done to my property.

I give permission to be treated by a qualified staff member or physician.

In addition, I will not use any non-prescribed drugs, alcohol or tobacco products while participating in this program. I will not swim or canoe at night or unsupervised. I agree to comply with the instructions and directions of University of New Hampshire staff members during the program.

I acknowledge my responsibilities as stated above and will accept dismissal from the program at any time if found to be in violation of any of the aforementioned responsibilities. Students will be responsible for transportation costs incurred as a result of dismissal. I agree to forfeit any refund if dismissed from the program.

I have read and fully understand the above acknowledgment of risk, release / indemnification and covenant not to sue. I have signed this document of my own free will, and agree to the terms outlined herein.

*PAWs has a few of these items for loan. If you would like to borrow one of these items, please let staff know when you register.

DO NOT BRING: ALCOHOLIC BEVERAGES, DRUGS, CIGARETTES, TOBACCO, VAPE PENS, JEWELRY, RADIOS, IPODS, CELL PHONES, MATCHES/LIGHTERS, MAKE-UP, ETC.
**In regards to alcohol/tobacco/drug use.** PAWs is a CHEM-FREE event. This means that no alcohol is to be consumed during any portion of the PAWs program, regardless of age. If anyone is found with alcohol, the participant’s emergency contact person will be called and asked to pick up the participant immediately, no exceptions. Obviously, illegal drugs are prohibited as well. There is also no smoking, chewing tobacco or vaping permitted during the PAWs.

**In regards to cell phones.** Cell phones are not permitted during the PAWs program. If you absolutely must call to check in with someone let staff know and something will be arranged for you. REMEMBER, you are coming to PAWs to meet new friends, find out about UNH, and to get a jump start on your college experience. Talking/texting on your cell phone will only impede those goals. PLUS, cell phone coverage is not that good at Mendums Pond, and there is no electricity, so your phone won’t last that long.

* A note for parents/guardians: If there is an emergency message that you need to communicate to your PAW’s participant, please contact Maddie Smith at 603-862-1577 and she will relay the message.

**In regards to internet service.** There is no electricity, so there is no internet access. Don’t worry, the internet will still be there when you get back to campus.

**In regards to SLEEPING.** You will be staying in large tents. The tents are quite spacious, but every effort is made to put fewer people in them than is recommended (i.e. 6 people in an 8 person tent). Nonetheless, they are tents. There is no electricity, no bathrooms (woods or port-a-potties only), and no running water. Your whole group will stay in 1-2 tents.

You must have a sleeping bag, sleeping pad, and a pillow is a great idea too. Your sleeping bag should be a good quality synthetic bag rated to at least 35°F (NO COTTON). If you don’t have a sleeping bag, or aren’t sure if yours is appropriate, please call to help you decide (603-862-1577). There are a small number of bags and pads available to borrow.
