Summary of Position: Learn and become responsible for planning and carrying out tasks given by the Athletic Trainer/Risk Management Coordinator (AT/RMC) regarding the American Red Cross Program, Risk Management Program, and Athletic Training Program. Creating rosters, setting up classes, creating trainings, inputting course/student records, and other relevant tasks.

Qualifications:
- Applied Leadership in Campus Recreation course completion (mandatory)
- Background in health science is encouraged but not required
- Ability to use Microsoft Word/Excel, CEMS, and BOX (can be trained on CEMS)
- Professionalism
- Dependable/Responsible
- Motivated with a positive attitude
- Ability to work without supervision and initiate tasks
- Leadership/Management skills
- Willing to learn

Expected Hours: 4-6 hours per week, including early mornings, nights and weekends
Rate of Pay: $8.25/hour

Supervisor: Rich Cercone – Athletic Trainer/Risk Management Coordinator

Duties and Responsibilities:

*Supervisors will be trained by current Risk Management Program Assistants and/or the Risk Management Coordinator in the following duties/responsibilities. The goal is to become self-proficient in such tasks.

- As a program supervisor you must be motivated to learn and take on new tasks as they are given.
- Must be able to use Microsoft Excel to create course rosters, input accident reports, and record inventory for the programs.
- Generate and schedule courses and instructors throughout.
- Assist with American Red Cross course setup and communicate with the instructors.
- Use CEMS to create online trainings, and generate and conduct Risk Management training for Campus Recreation employees.
- Handle student/participant information that must remain confidential.
- Assist the Athletic Trainer/Risk Management Coordinator (AT/RMC) with any additional projects he may be working on and take initiative to assist with other tasks.

Certifications and Trainings: Employment contingent of the successful completion of a background check and the following training: ‘CPR, AED & First-Aid’, Bloodborne Pathogens, and Risk Management training. All of these will be provided by Campus Recreation

Typical Hiring Timeline: Applications open early November, Applications due early December
